“MISSION POSSIBLE: TEAM UNITY”

**Presented by Colleen Lam Nguyen, M.A.,
*Marriage and Family Therapist Intern***

A seminar on how to *prepare and handle* possible conflicts in your group, the church, or on missions teams by examining common communication and relationship pitfalls.

The two scenarios are common:

- 1) A relationship is broken, people are misunderstood, leaders leave. Unrest remains and hurts the group's effectiveness.

- 2) A summer missions team travels abroad to serve others. Yet, after the first week, disunity occurs.

Discover the keys to developing and maintaining unity within a team.
